

# Meet your Farmer

## ROWLEY & HAWKINS

Rowley and Hawkins Fruit Farms is a family farm operating since 1980 by many generations of farmers. They center around the idea that they are “growing great fruit to grow great families.” Rowley and Hawkins farms 1,000 acres of different varieties of orchards. They grow tart cherries and sweet cherries. They are GAP certified and do everything they can to grow safe healthy food, while protecting their land and the environment. As farmers, they care deeply about the health of their soil. Healthy soil grows healthy trees that produces healthy fruit.
